RE: Adel, Ahmad W.

OFFENSE: Operating After Suspension (Count 3) and Driving Under the Influence (Count 4).

SENTENCE: The defendant was sentenced to 60 days imprisonment, ten (10) days as to Count 3, and 60 days as to Count 4, to be served concurrent, followed by two (2) years of supervised probation as to each count to be served concurrent, coupled with the special conditions as listed on page one (1).

ADJUSTMENT TO SUPERVISION: The defendant completed service of his period of confinement at the Alexandria Detention Center on July 14, 3014, and began his period of supervision. The defendant's overall adjustment to supervision has been marginal. A petition was filed in January 2015 advising the court of drug testing infractions and failure to pay fines and court costs. Mr. Adel was found in violation by the Court in February 2015, at which time the violation hearing was continued for 60 days to review Mr. Adel's compliance with substance abuse testing and treatment participation with National Counseling Group.

Since the violation hearing in February Mr. Adel had been reporting as directed, complying with substance abuse testing, and participating in substance abuse treatment with National Counseling Group as directed. Mr. Adel remains unemployed at this time. On April 3, 2015, an order dismissing the petition was issued by the Court based on the defendant's satisfactory adjustment during the review period.

The defendant was referred to the Bull Run Alcohol Safety Action Program (ASAP) and was recommended for educational and treatment services based on his substance abuse history. Mr. Adel has completed the educational component of the program.

Mr. Adel has made two (2) \$100.00 payments towards his outstanding fine in this case since his last court appearance. He remains with an outstanding balance of \$420.00.

VIOLATIONS: The following violations are submitted for the Court's consideration.

STANDARD CONDITION 1: LEAVING THE JUDICIAL DISTRICT WIHOUT PERMISSION FROM THE PROBATION OFFICER.

On April 3, 2015, this officer received an automated query response for Mr. Adel from U.S. Customs and Border Protection regarding a records check for a travel manifest. On April 3 and April 4, 2015, this officer had email contact with Mr. Adel to inquire about any unauthorized travel. Mr. Adel advised this officer that he was in the process of traveling to San Francisco, California to visit a cousin who is suffering from terminal cancer. Mr. Adel acknowledged that he had failed to obtain travel authorization as required by the terms of his supervision. This officer advised Mr. Adel that the travel was not authorized and requested that he report to the Probation Office immediately following his return. Mr. Adel advised he was unaware of his return date as he was traveling on a one-way ticket. This officer directed Mr. Adel to advise of the return date once confirmed. As of this writing, Mr. Adel remains on unauthorized travel and has not informed this officer of a return date.

SPECIAL CONDITION 1: FAILURE TO COMPLY WITH ALCOHOL TREATMENT REQUIREMENTS.

On April 6, 2015, this officer received non-compliance notification from the Bull Run Alcohol Safety Action Program advising that Mr. Adel failed to report for a case review office appointment on April 2, 2015, has failed to provide proof of counseling participation, and has failed to make payments towards his outstanding program fee balance of \$400.00.
